

## ABOUT THE CRISIS CENTER, Inc.

Everyone has a crisis at some time in their life. It's not what happens, but how you respond that is life-changing. Tonight we join with the Crisis Center to improve the lives of boys and girls, individuals and families by offering life-changing services.

### Hope and Help

Hope anticipates a better tomorrow but often help is needed to make the reality. A teenage suicide prompted the Crisis Center's telephone line in 1971. After 45 years, Crisis Contact has responded to countless callers, children and youth, adults and families.

In addition to the crisis lines, services include Counseling Services, Alternative House, Safe Place, Safely Home and Teen Court.

*"It helps your problems change into good choices" said one youth about Alternative House, our emergency shelter for runaway, homeless, abused or neglected boys and girls. "Taking care of your problems wrong only makes it worse."*

Over 300 Safe Place sites in Lake and Porter counties provide rapid response for kids to get help. Our Teen Court programs in Lake and Porter counties offer early intervention when youth are teetering on the edge of problems.

In 21 years, community leaders and chairpersons who have chaired the Wine Fest have been Cal Bellamy, Bob Welsh, Suzanne Mulshine, Bruce Dahltorp, E.Thomas Collins, Milt Triana, Tom McDermott Sr., Vic DeMeyer, Mark Maassel, John Diederich, Janet Schulte, Andy Arnold, Leslie Kiefer, Scott Steinwart and Tom Stevens.

We thank each person who has participated as chairperson or committee member. They have indeed helped young people to a better tomorrow, and ultimately, all of us too.
